## Domain Four: Learning Supports

Key Elements - Outcomes	Primary Strategies	Secondary/Ongoing Strategies	Local Performance Measure Reporting	Provincial Performance Measure Reporting	Stakeholder Engagement Reporting
<p>Learning environments are adapted as necessary to meet learner needs, emphasizing a sense of belonging and high expectations for all. Students and their families work in collaboration with education partners to support learning. Cross-ministry initiatives and wraparound services enhance the conditions required for optimal learning. The school community applies the resources needed to support First Nations, Métis and Inuit student achievement. Infrastructure (e.g., technology and transportation services) supports learning and meets the needs of Alberta students and their families, staff and communities.</p>	<p>Identify and contract wrap-around support services aligned to school community learning needs. Develop division and school Inclusive Education Lead Teacher roles and responsibilities that align with education plan priorities to support the success of all students. Learning Support Teachers provide guidance and professional development support for inclusive education practices (differentiation and UDL strategies). Ensure teachers and support staff have appropriate PD and support for learning, behaviour and medically challenged students. Identifying and implementing assistive technology to support student learning and assessment practices.</p>	<p>Provide workflows to improve the accessibility of student learning accommodations. Implement and support health and wellness and nutrition activities aligned with the needs of each school community. Continue to hire, support and maintain quality staff doing a very difficult job. Maintaining a high-quality culture to attract students and staff.</p>	<p>Student Gr 4 - Q11 - My teacher gives me extra help if I need it. - 93% - Goal - 95                      Student Gr 7-12 - Q10 - How satisfied are you with the help and support you receive from teachers to help you learn? - 91% very satisfied or satisfied - Goal 95%                      Teachers - Q28 How satisfied are you with the school-level resources and support offered for integrating students with special needs into your classroom? 74% very satisfied or satisfied - Goal 80%                      Support Staff - Q18 How satisfied are you with the support services provided by non-school agencies or specialists? 73% very satisfied or satisfied - Goal 80%                      Parent - Q20 How satisfied are you with the career guidance and information available for your child at this school? - 57% very satisfied or satisfied - Goal 75%</p>	<p>Welcoming, Caring, Respectful, and Safe Learning Environments - 87.8% Province, 89.0% St.J - Goal 90%                       Access To Supports &amp; Services - 82.6% Province, 84.7% St.J - Goal 88%</p>	<p>Who: Financial department, district administration, school administration along with teachers and Support                      What: Create and implement equitable financial plans so that students with diagnosed needs can be best served.                      Where: Divisional financial divisions are made for the division but sound decisions for St. Jerome must be made here.                      Why: Financial resources are very limited but students with learning needs must be provided with an equitable division of Inclusive Education funding.                      How: Division/School must develop strategies that reflect equitable distribution of resources to students that the help can benefit the most.</p>

**Domain Six: Local Societal Context**

Key Elements - Outcomes	Primary Strategies	Secondary/Ongoing Strategies	Local Performance Measure Reporting	Provincial Performance Measure Reporting	Stakeholder Engagement Reporting
<p>Engage education partners to develop a baseline understanding of the local and societal needs and circumstances.                      Develop and implement a continuous improvement engagement process to support a shared vision for quality Catholic education taking into account the local context of each community within the division.                      Identify the local context variables to inform decision-making and inform practice.</p>	<p>Engaging stakeholders to develop a shared vision aligned to a continuous improvement framework.                      Developing a budgeting framework to provide a sustainable, equitable staffing model, contracted services, resource allocation, and professional development to implement the Division's shared vision for education in each community.                      Engage and provide stakeholder feedback sessions to document local context variables and demographic information that can be accessed or gathered to inform decision-making and practice.</p>	<p>Developing budget frameworks to subsidize student transportation based on current transportation funding models.                      Supporting parents in the separate school establishment process to expand Catholic education boundaries.                      Providing diversified and flexible program opportunities.                      Engaging local businesses and learning opportunities through the use of the division CTS trailer.                      Engaging stakeholders in the context of their local school communities to improve the understanding of FNMI culture, knowledge and reconciliation.</p>	<p>Yearly review of the ECCS local assurance surveys with school administration to improve the validity and alignment of questions that can be used to inform the continuous improvement process.                      Developing a school assurance presentation template to provide stakeholder assurance updates.                      School administration completing assurance presentations to parent council and board members.                      The number of parents who participate in the local school assurance surveys.                      Student Gr 7-12 - Q32 -Would you recommend your school to a friend? -92% Yes - Goal 95%                      Teachers - Q37 How satisfied are you that the school Division is a good place to teach, learn and grow? 73% very satisfied or satisfied - Goal 75%                      Support Staff - Q23 How satisfied are you that the school Division is a good place to teach, learn and grow? 100% very satisfied or satisfied - Goal 100%                      Parent - Q34 How satisfied are you that East Central Alberta Catholic Schools are good places for children to learn and grow? - 96% very satisfied or satisfied - Goal 98%</p>	<p>Parent Involvement 79.5% Alberta, 81.1% St.J - Goal 85%</p>	<p>Why -                      Who -                      When -                      What -                      Where -</p>
